Sunday night at midnight at RPI will be a press conference where the following statements will be presented to the press.

2) We want the United States to withdraw completely from Indochina.

3) We want all university complacency with military ~~wa~~ industrial war machines to stop.

They would like two representatives from Plattsburgh to attend if we support this statement.

Tuesday morning Albany state is having a march on the Albany federal building. It will be a peaceful sit-in on the steps. They would like as many students as possible to attend. They can put up as many as we can bring in the dorms.

Wednesday will be a state -wide rally at the capitol. They would like the same people who come down for Tues, to stay for this rally. They can put us up starting Monday night and keep us until Wednesday.

We are to call them Sunday in the early afternoon to let them know if we are coming down.
